Miss. Weed

About Me

I am thrilled to be teaching at Underwood this year after completing my student teaching and a maternity leave position here! I am from a small town on Lake Norman which is just outside of Charlotte, NC! My parents and our Cairn Terrier, Tucker still live there. My younger brother joined the Wolfpack family in 2018 and is a sophomore at NC State this year. In my free time I enjoy exercising with friends, cooking and traveling.

Education

I graduated from NC State in May 2019 with a Bachelors of Science in Elementary Education.
